

**If you would like to apply for a rental property through Weller, please bring along the following documents. PLEASE NOTE:** we can only register you (and where applicable your partner or spouse) when all documents are complete. **If you have all the required documents, you can phone our Customer Contact Center at 045-4048600 to make an appointment for an initial interview.**

Please note: all documentation requests also apply to any partner or spouse moving in with you.

- Valid ID (not a copy).
- Provisional or definitive income tax assessment for 2017 or 2018, or an income statement for 2017 or 2018. You can request this via the Belastingtelefoon at 0800-0343 or download it via: **mijn.belastingdienst.nl**. You need to log in with your DigiD code. If the numbers for 2018 are not yet available, please bring along the 2017 tax assessment.
- Current income data (salary or benefits statement). Please note that bank statements are not sufficient! (Should you be on a weekly wage: please bring along 4 consecutive weekly statements).
- BRP (Basis Registratie Personen) statement with residential history. This is available for a fee at the registry department of your municipality. You will need to make an appointment for this. You can also download the statement via the website of your municipality. You once again need to log in with your DigiD code. Only an official document from the municipality is valid. People who are already Weller tenants do not need this statement.

#### **Where applicable:**

- Landlord statement from the current landlord.
- Proof of registration at an educational institution (only for full-time studies).
- DUO summary (study financing).
- Divorce agreement/interim injunctions regarding divorce or the ending of a registered partnership.
- Details of resident children (name, gender and date of birth).
- If you are an entrepreneur: income statement, current year forecast based on a provisional tax assessment prepared by an approved accounting firm.
- .....

Please take a look at the model houses on our website first (**[www.wellernet.nl](http://www.wellernet.nl)**), so you can make an indication of your housing requirements.
